

Thank you for considering CARES Northwest in your estate plans. Leaving a bequest in your will or trust, helps provide a safe and healthy future for our children.

Through various types of bequests to CARES Northwest, you may secure a charitable estate-tax deduction for the value of the gift. Best of all, you will know that your generosity will support our mission for years to come.

Whatever form of bequest you choose, it is not subject to federal estate taxes and so significantly reduces the tax burden of an estate. The value of the bequest may be deducted when the taxable estate is determined, and there is no limit to the deduction. You may prefer to state in your will or trust a sum of money or a percentage of your estate that you wish to give to CARES Northwest. If so, we have provided sample language below which you may use.

If you have questions or if you decide to include CARES Northwest in your estate plans, please let us know so that we may thank you for your incredible future gift.
